

## **ANAHEIM – APRIL 21-22, 2012**

### **Coaches Check-In**

Coaches Check-In will officially begin at 7:00PM on Friday, April 20, 2012 in the lobby of the Anaheim Convention Center. Although coaches will be able to check-in on Saturday as well, we highly encourage at least one representative to check-in each team on Friday evening. The following items will be handed to you at Coaches Check-In:

#### **1. Participant Gifts**

This year our participant gift will also DOUBLE as the athlete's CREDENTIAL! The gift is a cute and clever charm bracelet that has a custom U.S. Finals charm attached. Every athlete MUST be wearing their bracelet in order to pass through the entrance doors without a ticket. All participant gifts are pre-counted prior to the event to ensure that the quantity provided to each team is the exact same quantity as the number of athletes registered on that team. Lost or stolen participant gifts will not be replaced. If an athlete loses the participant gift, he or she will need to purchase a ticket to enter the event.

#### **2. Coaches Credentials and Coaches Gift**

All registered coaches (2 per team) will be given a U.S. Finals coaches T-shirt as their gift! All registered coaches (2 per team) will also be given a wristband at Coaches Check-In to wear for the event. Coaches must wear these wristbands on their wrists to gain entry into the facility as well as the Coaches VIP Area and the Practice Area. Coaches attempting to enter any of these areas without a wristband will be turned away, so please wear them at ALL times!

#### **3. Pajama Program**

If your team has so kindly participated in supporting the Pajama Program, our Coaches Check In area will also serve as a collection point for those donations.

### **Practice Area**

The practice area will be located directly behind the performance floor. Only participants and credentialed coaches will be allowed access into the Practice Area. We ask that teams check-in for the Practice Area at least 15 minutes prior to their scheduled practice time. The practice warm-up schedule will consist of the following:

#### **CHEER TEAMS**

6 minutes – 44' x 12' Foam Stretch Strip

6 minutes – 60' x 8' Spring Tumble Strip

6 minutes – 54' x 44' Spring Floor

### U.S. Finals Staff

You won't have a hard time finding our staff, as we've provided NEON yellow shirts for them!

### Performance Area

The Performance Area will consist of a 54' x 44' spring floor placed directly on the arena floor for cheer teams. Dance teams will perform on a 40' x 49' marley floor directly on top of the stage.

### Scoring

Since this is most likely your last event of the season, we want your team to end on a HIGH note with NO DEDUCTIONS! That is why it is so very important that every coach bringing a team to The U.S. Finals spend some time reviewing [The U.S. Finals Score System](#). If you have competed at an Epic Brand or JAM Brand event this season, you will notice that the score system is identical.
